Pennsylvania Gaming Control Board
P.O. Box 69060
Harrisburg, PA 17106-9060

Dear Board Members:

With the Supreme Court decision announced on Monday, May 14, 2018, coupled with Governor Wolf's signing of Act 42 of 2017, Pennsylvania is in a good position to become a nationwide leader in the sports wagering market. The language in Act 42 of 2017, relating to sports wagering, is similar to the language I introduced in House Bill 1656, Printer's Number 2225 (Session of 2017).

I strongly encourage the Gaming Board to adopt the appropriate regulations as soon as possible. Legalizing sports wagering will serve as a job creator in the Commonwealth as well as provide much-needed revenue to Pennsylvania.

I applaud all the great work the Gaming Board and their staff have done with Pennsylvania's ever-changing gambling landscape.

Thank you for your time and prompt attention to the matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Frank Farry'.
